

Could you be eligible for FREE* central heating?

Who qualifies?

You may qualify if you live in the Wakefield district and meet the following criteria:

- Own your home or rent from a private landlord**
- Struggle to pay your heating bill
- Currently use one of the following as your main heating system
 - gas fires
 - electric storage heaters
 - coal fires
- Have unheated rooms in your home

What is it and what's available?

The Warm Homes Fund provides gas central heating to help you save energy and stay warm in your home.

The Warm Homes Fund provides full gas central heating systems with an A rated combi boilers fitted completely free* of charge to tenants and owner occupiers**, as long as the criteria is met.

All of the work would be done for you by the Council's approved contractors through the Better Homes Yorkshire scheme.

If you have no gas in your home we can also arrange gas connections free of charge* as long as your home is close to the gas main.
